

From Our Board of Directors

We have work to do and goals to meet, but due to our staff and board's hard work and support, we have received word of conditional accreditation for each of the three Broadview Divisions.

All of these binders were prepared and ready for review.

Thank you to the Commission's Accreditation Team.
AND—Congratulations!

Protected & Cared For During the LA Fires

It's hard to believe that just two short years ago Broadview faced an uncertain future. The possibility of closing our doors appeared inevitable. Today we are a thriving refuge, a place of healing and a testament to divine Love's provision.

The many manifestations of divine Love during the recent LA fires have led us to ask ourselves if God has created Broadview, "for such a time as this?" (Esther 4:14.) There is now an expanded vision of Broadview's purpose... to provide both a spiritual haven for Christian Scientists in need of care, AND a temporary home away from home.

This vision can only become a reality with your support.

Ribbon Cutting Family Rec. Room

After a wonderful donation by a family friend of Broadview, we built a Family Rec Room for everyone's use. It has a little bit of everything for everyone.

The Broad View

Lovingly penned by a patient

Alone with Spirit
Looking at God's rich display
Of nature's bounty
Spread out before me
I am filled with thanksgiving
For what God provides
Each and everyday
His goodness is a constant renewable
Renewable force
Felt in soothing Love
From the Hand of the Father
Removing all fear.

This is a picture taken from the room that inspired this lovely poem.
