

Dear friends,

Thank you for your engagement and feedback, letting us know that the Daily Spiritual Activity Calendars are touching your lives. Besides lovely sentiments of gratitude, people sometimes add a specific blessing. For example, a clerk of a church who sends the calendar out to 85 people, shared a short enthusiastic response from a Christian Science Sunday School graduate. Another participant told us that her first knowledge of the Spiritual Activities Calendar was when she was the recipient of one of the suggested activities! We love hearing about such things. Thank you!

We trust you're ready for this month's inspirational ideas for engaging with our Bible Lessons and we're eager to share them! It's a wonderful spiritual sense of our oneness in God's creation.

With love & profound gratitude for our connection,
